ASP Statement of Values

- We believe that each person is a child of God imbued with dignity and worth.
- We accept people right where they are and just the way they are.
- We believe that affordable, safe, sanitary housing is a basic human right.
- We are committed to witness through the good quality of our work and careful stewardship of our resources.
- We believe God calls volunteers to serve others as partners in ministry and we will encourage their growth in faith, as they are involved in this service.
- We believe where ASP is involved in local communities we will encourage, affirm and support social and economic justice.
